Though there is some godly instruction and wise advice, this book seems geared to girls who are already familiar with the worldly side of life. In the chapter on purity, the author talks about oral sex, anal sex and mutual masturbation as being forbidden under the definition of sexual immorality. Fortunately, my daughter would not know what those are but I don't want her being introduced to it in a daily devotional book or at this time in her life. This material may be necessary to address with some girls but I think in a book where the buyer knows what they are getting. Also, cliques(not clicks) is the correct spelling for groups that form and separate themselves from others.1 of 1 people found the following review helpful. eviews: Teen Devotionals.. for Girls, One and TwoBy Kim JusticeThis teen girl devotional is an amazing book full of wonderful scriptures for young girls to dive into for their own daily time with the Lord. I was amazed actually when opening this book for teen girls. Why you may ask. Well let me just say this.I have went thru some very awesome devotionals growing up. And I still look for devotionals that speak to my heart. So needless to say I want to be able to give young ladies in my life a heads up on this type of books. We want, as Christian Mothers, to give our daughters a special time to learn how to study and have their own time with the Lord and His Word.Well this is a must to have on hand for birthdays, Christmas, graduations, prayer daughters, etc. for all the girls in our life's. I totally recommend this first and the second Devotionals. Yes, Loved this one so much that I also checked out the Volume 2. Keep reading and you will see the next one as well.So for the reasons above I will be giving this book (and if I had a higher one I would give more) my Breath Of Life Rating of: Five Clock Rating!!Disclosure: I did receive the above book in exchange for my honest opinion and or review. But the Opinions are my own and yours may differ.1 of 1 people found the following review helpful. Not for Girls Only!By CustomerShelley Hitz and Heather Hart are women with hearts for God! I have never read a book written by either of them in which the Spirit was not present and armed for guidance. "21 Teen Devotionals...for Girls" is just one more of the their collaborative writings that exceeded my expectations. The devotional addresses the need for beauty in young girls and the pressure by society to concentrate only on the physical. Shelley and Heather provide comments, examples, reflection time, supporting Scripture, and prayer guidance to guide the reader to a deeper understanding of God's love for who we are spiritually rather than directing His attention to our physical being. I found answers in this book as a mature women as well!

Teen Devotionals...for Girls!Our lives are ruled by habits. We are defined by them. How our days play out, how we act and react, and even how we eat, sleep and talk are all affected by our habits - for better or for worse. 21 Days to a New HabitIt's said that it takes 21 days to form a new habit or break an old one, so why not spend the next 21 days forming a habit of spending time with God? If you've got 21 days, we've got 21 devotions specifically written for today's teen girls. Are you up for forming a habit of spending time with your Creator? If so, download this book and get started on these devotionals!

This devotional is absolutely fabulous...I know it impacted my life in a good way. ~ Mary
